## ABOUT Y SWIM LESSONS

The Y strives to help all ages learn how to swim, so they can stay safe around water and learn the skills needed to make swimming a lifelong pursuit for healthy living.

The YMCA is centered on five core values: caring, honesty, respect, responsibility, and equity. Swim Lessons include age-appropriate opportunities to define, model and celebrate these core values. We utilize low instructor to participant ratios, ranging from 1 instructor to 4-6 participants, depending on stage.

Swim Lessons provide important life skills that could save a life, and will benefit you for a lifetime. All YMCA swim instructors are highly trained in our nationally recognized swim lesson curriculum. To ensure safety at all times all of our pools have a certified lifeguard on duty.

YMCA Swim Lessons meet once a week for seven weeks. Lessons are 30 minute long. You don't need to be a member of the Y to take swimming lessons, but members receive a discount on lessons and access to early registration. Participating child must be a Y member to receive member rate and early registration.

In YMCA Group Swim Lessons, a natural progression promotes safe and effective swimming for all ages- from infants learning to love the water to advanced swimmers perfecting their strokes. All age groups are taught the same skills, divided into stages according to developmental milestones.

More information on stage prerequisites can be found on the Lesson Selector, or by visiting [ymcanorth.org/swimmin](http://ymcanorth.org/swimmin)

# SWIM TEAM

Our trained coaches work to improve swimmers' skill level, endurance and to promote a healthy lifestyle. Our program embraces the YMCA core values and promotes progression at an individual level.

YMCA Swim Teams are offered at select locations in the Twin Cities metro area. Swim meets are scheduled against other teams in the Minnesota State League, typically at other Y locations on Saturdays.

For more information on team locations, practices, and swim meets, please visit us online at [www.ymcanorth.org](http://www.ymcanorth.org).
