

Junior Counselor Program

The Junior Counselor's main role is to assist the Senior Counselor in leading groups and providing fun and safe experiences for children. The Junior Counselor will help the campers acquire a feeling of high self-esteem, self-worth and competence in an outdoor setting. The incumbent will help his/her group and its members assert their interests and expand their ideas and knowledge. The incumbent will be responsible for the safety and wellbeing of each camper's spirit, mind, and body while in the Day Camp Program.
