

YMCA Camp St. Croix 2019

Celebrating 110 Years in Camping

Heritage Center and legacy gathering space

We realize that for many of you, your connection to Camp St. Croix is tied to the people you encountered and the experiences you shared. Whether staff, volunteer, friend, parent, or cabin mate, no matter your connection, people and shared experiences are what keep our mission alive and relevant. As we enter our **110th** year, we are creating a meaningful gathering space for all to intentionally honor those dear to your Camp St. Croix experience. We are asking you to consider joining us in this project by purchasing a Legacy Brick. For **\$110**, you will create a customizable, engraved, 4"x8" brick, laying the foundation of a space for you and future generations to gather and share your Croix story. With your help, we can lastingly celebrate the history and memories of all those influenced by the mission of Dear ol' Camp St. Croix.

Ordering a Legacy Brick is easy, see back for ordering details.

Legacy Brick Ordering

There are two ways to order. You can visit www.campstcroix.donationbricks.com, or, by filling out the information below, and mailing it back.

Name:

Address:
