OUR CAUSE, YOUR IMPACT

At the YMCA, we know that solving the complex challenges people face takes bold work. That's why we relentlessly pursue new ways to build thriving communities that will last for generations. We push what's possible, challenge limits and open doors so everyone has an equal chance to succeed.

Camp Menogyn helps young people live healthier lives.

Camp Menogyn provides authentic, unplugged wilderness experiences that challenge young people to grow physically, mentally, and emotionally. Whether canoeing in the Boundary Waters or hiking in the Rockies, teens will receive transformational wilderness experiences at Camp Menogyn thanks to the support of donors.

Camp Menogyn brings people together from different cultures and backgrounds.

Camp Menogyn is proud to partner with several non-profit organizations, including Tamales y Bicicletas and EmpowHER. Our camperships, made possible by the generosity of donors, increase the number of campers organizations such as these can send each year.

A Camp Menogyn trip is more than just a wilderness adventure.

It's an experience that builds self-confidence and teaches new skills. Teens learn how to solve problems and overcome adversity. As members of a trail group campers are part of a team that works together to accomplish their collective goals.
