Life at Camp

Cabins. Campers spend their session with two counselors and a group of other campers in a cabin group. Our counselors are well trained and love their jobs (they're not in it for the money, we assure you). Campers are assigned to their cabin based on age and gender-identity.

Friends. Campers will have an opportunity to bunk with one or two friends if they are the same age and the request is made in advance. If the request was not made on the registration form, you may call camp prior to your session. Children make many new friends at camp in addition to enjoying their old ones. We limit the number of friends coming together to three per cabin to support strong group dynamics.

Pro Parent Tip

Don't be alarmed if you get a call from Croix while your camper is at Camp. Camp likes to get parent input on even minor health, homesickness, and behavioral issues. It's a low bar to call home.

Communication. Please send mail directly to Camp St. Croix. Feel free to send mail to camp prior to your camper's arrival.

Your Camper's Name
 YMCA St. Croix
 532 County Road F
 Hudson, WI 54016

For a faster delivery you can send your camper an email that will be printed and given to your camper. Please be sure to have your child's name AND cabin in the subject line. Any emails received after 10:00am will get to them the next day. Camp email: info@campstcroix.org

Phoning Home. Campers may not have cell phones at camp. Except for emergency situations, phone and e-mail by campers are off limits as it distracts from the camp experience. If you have questions, a Camp St. Croix staff member will be available to speak with you over the phone.

Visiting Camp. Due to COVID-19, there will be no available visitor times during camp sessions.

Stay in the Loop! View photos of your camper while they're at camp! We post photos on our Facebook and Instagram site often. Photos and other merchandise are also available for purchase on SmugMug.

Food. Croix campers eat very well; our kitchen takes great pride in providing a tasty, well-balanced diet, including free organic produce raised right here, at Croix's Grow and Gather Farm. If your camper has dietary restrictions or allergies please note them on their Camper Personal History. If you are interested in checking out our menu's, you can do so on our NutriSlice link. This will also provide dietary alternatives and calorie information.

Health and Safety. Croix campers are well looked after. Our first aid, CPR, and lifesaving certified counselors are supported by our health professional (an RN), and student nurses.

We will treat bumps, bruises, and scrapes. In the case of illness or advance injury, parents or emergency contacts are called to make arrangements for treatment or pick-up. Camp St. Croix uses the Hudson Physician's Clinic located at the Hudson Hospital, in Hudson, WI.

Medications. Medication will be turned into the Health Care Professional (HCP) upon arrival. Medication must be in the original container and include dosage, frequency and camper's name. Please do not send over the counter medications, these are well stocked and provided by our Health Service Center. Additionally, a Medication(s) Release Form will need to be completed upon arrival and turned into the HCP. The form can be found at campstcroix.org.

Life at Camp

Camp Activities. Campers will experience a variety of activities during their camp session. Our camp staff aim to encourage campers' creativity, skill development, and understanding of the world around them. Often times, during these creative learning experiences in a camp setting, campers are exposed to the natural elements of camp. They will experience dirt, mud, bugs, plants, and various types of weather—but camp will go on. Our staff are trained to recognize and avoid unsafe situations. However, if your child has a specific reaction (allergies, fears, etc.) to any camp elements; be sure to indicate this in their health information.

About Achievement Options. Campers are pre-registered for either a Specialty Camp or for Traditional Camp. During your child's time at camp they will participate in activities with their cabin group. Specialty camps will spend time during their week in those specialty areas such as sailing, horseback riding, canoeing or climbing. There will be a few activity periods every week that are Camper Choice where our counselors will offer a variety of activity choices and campers choose what they are interested in. Depending on the popularity of a Camper Choice activity, your camper may not get their first choice. **Activities include swimming, boating, archery, high ropes, arts and crafts, field sports, music, and drama.**

Overnights. The older cabin groups (typically 9+) will pack up one afternoon during the week and head out to a campsite in the woods for an overnight with their cabin group. Younger groups will experience a cook-out dinner. Our specialty camps often have an off-site overnight experiences ranging from 1-7 nights, depending on the program.

Campers learn basic camping skills in addition to having an opportunity to do something new and challenging. Overnights happen rain or shine. We certainly watch the weather and bring groups in at first sign of a severe storm, but groups remain at their campsites if it's lightly raining. Campers should bring rain gear. Some of the best memories happen in the rain!

Camp Store. Campers will visit the Camp Store **once** during their session. Money may be added to camper store accounts online. We do not allow campers to spend over the amount decided by their parent/guardian. Depending on your child's needs and interests, \$25-\$50 per week is suggested.

Items/Prices Examples:

Water bottle: \$15 (large) \$10 (small)

T-Shirt: \$20

Sweatshirt: \$35

Stuffed Animal: \$10

Hat: \$15

Drawstring backpack: \$10

Waterfront. Each camper's swimming ability will be tested prior to their first activity. Personal Flotation Devices are available always and are required for any boating activities. We hire a team of beach lifeguards who are always present when swimming or boating activities are happening.

International Staff and Campers. Camp St. Croix has a long history with international staff and campers. They add a deep level of richness to the camp experience. This summer we are hosting staff from Mexico, Colombia, Paraguay, Spain, the United Kingdom, and the Dominican Republic.

Summer Samplers. During summer sampler sessions, the camp schedule is altered to provide a variety of camp activities in a three-day session; this is a great way for first time campers to get the feel of overnight camp. Sampler campers will not take part in the cabin overnight.

Homesickness. For many campers, a week away at Croix will be the longest time they've ever been away from home. The challenge can be significant for both kids and their parents. Croix counselors and staff are very experienced in coaching campers through their time away and we believe overcoming the challenge of homesickness can be an opportunity to build resilience and confidence.

Diversity and Inclusion

It is the YMCA of the North's vision to serve relentlessly with our community until all can thrive in each stage of life. At Camp St. Croix we make sure that all really does mean all; we gladly welcome campers of all backgrounds, walks of life, and genders. We cherish diversity and want to make sure all feel enthusiastically at home at Camp St. Croix.

Please contact us if you have perspective on your camper that may help us support your camper better while they are at camp (e.g. what your transgender camper needs to feel at home).

Camper Behavior

Caring, honesty, respect, and responsibility are the YMCA's core values and the foundation

- We expect campers to take responsibility for their actions.
- We expect campers to respect themselves, one another, the environment, and camp equipment.
- We expect campers to behave equitably towards one another and our staff.
- We expect campers to be honest with one another and their counselors.
- We expect campers to care for themselves and one another.

St. Croix staff do a great job at coaching campers who behave inappropriately. If we find that we are unable to redirect your camper's behavior we may be in contact with you.

We reserve the right to send a camper home, without refund, if consistent misbehavior affects the experience of other campers.

Risks at Camp

Camp St. Croix is a member of the American Camp Association (ACA), meaning we are rigorously held to account on over 300 pages of standards regarding health and wellness, transportation safety, aquatic safety, and more. These standards guide us to use the best practices regarding ticks and other insects, sun exposure, hygiene, bullying prevention, staff medical training, and much more.

Nonetheless, like all other experiences in life camp is not risk-free. We simply cannot guarantee that no harm will befall a camper. Please refer to our waiver at campstcroix.org/forms_publications/ if you would like to review our indemnification policies.

- Rain gear—jacket and pants
- Sleeping bag

- 1 pair long underwear, top and bottom
- Extra layers, preferably not cotton
- If your camper is coming to camp for 2 or more weeks, please send them with more changes of clothes.

Don't feel the need to go buy lots of new things if you already have gear that will do. With very few exceptions, high-end gear doesn't improve your camp experience. Camp St. Croix has a limited amount of gear that can be lent if needed.

Addendum: COVID-19 Modifications

- Bus: We are not offering bus transportation this summer.
- We will have more specific information on our webpages, closer to summer.

- Campers and staff will have the option to wear masks, but it will not be a requirement.
- Multi-cabin activities/programs will take place outside.
- Evening programs will be based on state guidance for group gathering sizes. This means that we will plan on gathering in large groups for campfires and games.

- With the exception of severe weather events or specialty programs, Camp St. Croix programming happens outside.

HEALTH AND SAFETY

- If symptoms of illness arise, we will conduct a COVID-19 test of the sick camper or staff member. They will practice social distancing and mask-wearing to protect others from being infected. If they are positive for COVID-19 they will quarantine or leave camp.
- We will significantly increase our cleaning, handwashing, and sanitization procedures this summer, cleaning and sanitizing bathrooms, shared spaces, and commonly touched spaces often.

TRIPPING

All overnight camps will follow the guidelines put together by the Y of the North Wilderness Camping team.
