

YMCA COVID-19 EVENT UPDATES for Camps and/or Community hub locations.

Welcome to the YMCA! We are committed to your health and well-being while you are utilizing our site. Because of this, we have some changes to our protocols that you should be aware of related to COVID-19.

Things to keep in mind:

- Common spaces, meals, and equipment can be shared within a user/family group, and we ask for adequate distance (at least 6 ft) between each family/user group.
- Due to mandates from Minnesota and Wisconsin, masks are mandatory when you are indoors. Within the user/family units and individual cabins, they may not be required.
- At this time, we are unable to allow the use of the saunas.

Before:

- Prior to attending, you will be asked a series of 4 questions.
 - Have you or anyone in your house traveled to another country in the past 14 days?
 - Within the last 14 days, has someone in your household tested positive for COVID-19?
 - Are you currently experiencing any symptoms of illness?
 - Do you have any concerns agreeing to follow the safety protocols around physical distancing?

If you answer yes to any of these questions, you should not attend.

During:

- As part of our standard cleaning and sanitizing protocol, we will be sanitizing the space and all equipment after each use. We will also be removing some items that have been shared in the past (such as newspapers, puzzles, board games, etc.)
- We will be cleaning periodically through your event on a schedule for bathrooms, shared spaces and high-contact touch-points.

After:

- If you test positive within two weeks of your event, we ask that you contact your group leader who will contact us. We are required to report confirmed cases to the Minnesota Department of Health.

If you have questions or concerns about any of these guidelines, please work with your group leader.
