OUR CAUSE, YOUR IMPACT

At the YMCA, we know that solving the complex challenges people face takes bold work. That's why we relentlessly pursue new ways to build thriving communities that will last for generations. We push what's possible, challenge limits and open doors so everyone has an equal chance to succeed.

Our camp connects kids with opportunities to discover and develop their potential.

YMCA Camp Warren combats summer learning loss by giving more than 1,000 kids and teens the opportunity to stay active, make friends, develop new skills and build self-confidence in a safe, welcoming environment.

Our camp develops cause-driven leaders through programs that build character and confidence.

Every summer, Camp Warren gives up to 40 teens the opportunity to grow in our Counselor in Training Program, where they develop their own styles of leadership.

Camp Warren's activities are designed for skill progression and peer teaching opportunities. Not only do campers learn from our knowledgeable staff, but they are actively encouraged to share their newfound knowledge with other young people.

Our camp empowers people of all ages to enjoy healthier and happier lives.

Families get a chance to reconnect and leave the hectic pace of daily life behind during our family camp weekends. With activities available for every age group, all generations can come together to explore nature in a welcoming community.
