

WELCOME TO YMCA CAMP DU NORD

Please read through this information – we hope it will answer most of your questions before you arrive at camp. Please do not hesitate to contact our office for more details.

COVID-19 PRECAUTIONS

Health of Campers and Staff – Campers and staff are expected to closely monitor their health and the health of their cabin groups before and during their stay at camp. If you, or anyone in your party, are experiencing any Covid-like symptoms before you arrive, please consider canceling your trip (for a full refund) or rescheduling for a later date. Be prepared to answer the following questions as you arrive to camp:

- Have you or anyone in your house traveled to another country in the last 14 days?
- Have you been in contact with someone under investigation for, or with a confirmed current case of Coronavirus in the last week?
- Have you or a family member been instructed to self-quarantine in the last week?
- Are you currently experiencing any symptoms of illness?

All staff are expected to stay home if they experience any symptoms of illness.

Program Areas – All buildings and indoor program areas including the Dining Hall, Trading Post, Saunas, Outdoor Activity Center, Den, and Camp Office are closed to campers during this time. All outdoor spaces and equipment such as canoes, kayaks, life jackets, and paddles remain available to campers. The du Nord Bathhouse will remain open to campers, however campers must wear a mask upon entry.

Physical Distancing – All Camp staff are currently practicing the social distance guidelines as recommended by the CDD and Minnesota Department of Health. We ask that all campers respect this policy and remain at least 6 feet away from other family groups during their stay.

Disinfecting – Prior to your visit, your cabin will be fully disinfected using CDC approved disinfectant that is also EPA certified. Each cabin's high touch points will be cleaned with chemicals aimed at killing the COVID-19 virus. This includes door handles, light switches, thermostats, all dishes and cooking utensils, and coffee makers. In addition, we aim to have at least 30 hours of unoccupied time in each cabin between visitors.

ARRIVAL TIME

Campers may arrive any time **after 4:00 p.m.** the first day of their reservation. Please head to Gateway House (at the entrance to Pine Pointe Village) to check yourself in before proceeding to your cabin. **Due to cabin cleaning and disinfecting guidelines, you will not be able to check into your cabin early.** Please plan your travel time accordingly.

WHAT TO BRING

Food: If you are preparing meals in your cabin, pack all food. Perishable food items are not for sale in the camp store this time of year. There are cooking utensils, pots, pans, a microwave, toaster, coffee pot, and dishes in all cabins. Pots, pans, and dishes are NOT provided for our tent sites, platform tents, and platform cabins.

Clothing: The weather can change quickly at du Nord and it is best to be prepared for anything. Be sure to pack multiple warm layers, extra socks, warm jackets, hats, and mittens. In the spring and fall, it is always a good idea to pack raincoats, rain pants, and shoes or boots that can get wet. In the winter, winter coats, snow pants, and snow boots are a necessity. Be sure to pack enough clothes for your entire stay, as there are no public laundry facilities at camp.

Miscellaneous: Water bottle and backpack for hiking or skiing adventures, flashlight, alarm clock, swimsuit, personal toiletries, and a camera. Please contact our office if you wish to request a high chair or booster seat for your cabin. Pack N Plays are NOT available for camper use at this time.

SAUNAS

Unfortunately, our saunas will remain closed at this time due to health guidelines around COVID-19. We appreciate your understanding regarding this policy.

TRADING POST

The Trading Post is located in the lower level of the dining hall. Items available for purchase include postcards, stamps, and assorted Camp du Nord souvenirs like T-shirts, sweatshirts, and stuffed animals. Please be aware that we do not offer ice cream or other perishable food items (such as milk or bread) in the fall, winter, and spring. We will provide an opportunity for you to make purchases of camp gear and apparel which can be coordinated with the Camp Host upon your arrival at camp.

USE OF EQUIPMENT

During the fall and spring seasons, Camp du Nord has canoes, kayaks and rowboats for use at no extra charge. Please do not use watercraft if water temperature is below 40 degrees Fahrenheit or if staff inform you it is too cold to be on the water. Campers may borrow a lifejacket for their entire stay that will be sanitized before use by other campers. Paddles and boats must be wiped down by campers with sanitization wipes provided by camp after each use.

In the winter, skis and snowshoes are available for rent at an additional fee once there is enough snow for adequate trail coverage. Read over any safety rules and regulations posted by the equipment or in your cabin information binder before using. Campers are responsible for the safe and proper use of our equipment and will be asked to replace anything that is broken due to misuse. Please inspect all equipment before use, and inform staff if anything is in need of repair.

MEAL SERVICE

Take out lunches and dinner may be available for some weekends during the fall, winter, and spring seasons. With advance notice, efforts will be made to meet special dietary needs. Please see our website for more information.

GARBAGE AND RECYCLING

All campers are expected to take out their own garbage and recycling throughout and at the end of their stay. It may be disposed of in the recycling/trash areas in each village. Camp du Nord can recycle glass, metal, paper, cardboard, and certain plastics. Please rinse out all recycled containers and separate with care.

CABIN CLEAN UP AND CHECK OUT

Care of the cabins and grounds is the responsibility of all campers. All campers are expected to wipe down surfaces, do their dishes, clean out appliances, sweeping and/or vacuum the floors, clean ashes out of the fireplace, and take out any garbage and recycling. **Please remember to plan your cleanup schedule so that you are out of your cabin by 11:00 a.m. on your last day. Due to COVID-19 related cleaning and sanitizing cabins, we are unable to accommodate late check outs at this time.**

FIREWOOD

Camp du Nord programs are based on the natural values of the north woods environment and aim to create a greater appreciation for and understanding of the outdoors. Although surrounded by woodland, our supply of wood is not unlimited. Our wood supply, for your use at no charge, is dependent upon hundreds of hours of volunteer efforts and donated woodcutting equipment. We ask that you use firewood conservatively for campfires and in the fireplaces.

EMERGENCY PROCEDURES

First aid kits and AEDs are located in the office below the Dining Hall, the basement of Thor's Lodge in the Den, and in the Morning Glory kitchen. Detailed emergency procedures are posted in each cabin. Please take some time to familiarize yourself with du Nord's emergency procedures upon arrival.

PETS

Out of respect for possible allergies of other campers, pets are not permitted at Camp du Nord or in any of the cabins or sites.

ALCOHOL & TOBACCO

The use of alcoholic beverages at camp is limited to the campers' immediate living area. The legal drinking age is 21 and must be adhered to at all times. Use of illegal drugs is prohibited. Tobacco use inside any structure or near camper cabins or sites is not allowed.

Please keep track of all personal items brought to camp. Recent lost and found items will be brought to the Kiosk outside of Dane Lodge. All unclaimed lost and found items will be donated to the Camp du Nord fall and spring garage sales. Camp du Nord is not responsible for personal items that are lost, left behind, or misused by other campers.
