We are excited to offer staff led activities for this family camp weekend. All activities will be outdoors, in small groups (around 10 campers) and in physically distanced environments. We will send you activity offerings in an email a couple of weeks before Labor Day Weekend. We will ask you to indicate your activity preferences and return the form to camp. Your family will be assigned to at least one activity based on your preferences and your family activity schedule will be waiting for you at your cabin or tent site when you arrive.
