OUR CAUSE, YOUR IMPACT

At the YMCA, we know that solving the complex challenges people face takes bold work. That's why we relentlessly pursue new ways to build thriving communities that will last for generations. We push what's possible, challenge limits and open doors so everyone has an equal chance to succeed.

YMCA Family Camp helps people of all ages live healthier lives.

YMCA Family Camp gives families a place to relax, laugh, play and grow together in the beautiful, peaceful woods of northern Minnesota. Families unplug from screens and connect with each other – and to nature – at family camp. Together, they swim, canoe, hike and play outside. They return home refreshed, healthier and more motivated to continue active lifestyles in the outdoors. All families and individuals deserve a camp experience, and through the generosity of donors, financial assistance is provided to families and individuals in need of support.

YMCA Family Camp helps young people become leaders who want to make a difference.

Every summer, Camp Northern Lights and Camp du Nord welcome approximately 140 teenagers for two-week sessions focusing on leadership skills and personal growth.

Our generous donors help subsidize half of the fee for each participating youth.

Your generosity gives summer staff members the opportunity to take wilderness safety courses which are critical for safety and professional development.

YMCA Family Camp delivers life-enhancing programs through partnerships in our community.

Our family camps continue to partner with agencies and organizations in our community that also strengthen families. These partnerships provide families a session of family camp, using scholarship funds raised through our Annual Fund. We look forward to continued relationships with existing partners and families in years to come, as well as forming new partnerships with additional community organizations.
