Life at Camp

Our Camp Community

YMCA Programs are about learning skills, developing character and making friends. But few environments are as special as camp, where kids become a community as they learn both how to be more independent and how to contribute to a group as they engage in camp activities.

Camp Groups. Campers are assigned to camp groups based on age and program choice (i.e. Specialty/Traditional Camp). Counselors will lead the campers through a rotation of scheduled camp activities.

In addition to the group rotations, camp often gives campers the opportunity to interact with some of the other groups through large group, all camp, or camper's choice activities.

Camp Staff. Each staff member goes through an extensive hiring process including criminal history background check, reference checks, and interview.

They receive many hours of training in camp program areas, relating to children, health and safety skills, and are First Aid and CPR certified.

Camp staff members are committed to being positive role models for campers.

Pro Parent Tip

Check your camper's backpack for information handouts and schedules on Monday on what your camper's week will look like.

LOST & FOUND POLICY

In response to the COVID-19 pandemic, our day camp is limiting items held in lost and found after each camp session ends. We want to be mindful of safe storage space and how to prevent exposure of staff and campers from items, week to week. As such, camp will only hold the following specific list of items:

1. Jackets / Sweatshirts
3. Prescription glasses, durable medical equipment, prescription medication
4. Personal equipment
5. Shoes (not water shoes or sandals)
6. Backpacks

Camp will keep to these items for no longer than two weeks from the end of the session. After this time, these items will be donated or thrown away. Please note that these items will be held at the discretion of camp staff. Items that are soiled, damaged, or otherwise deemed not able to be safely stored will be disposed of. The list of items camp will not hold on to includes but is not limited to: socks and underwear, all toiletries and toiletry bags, all swim gear including swim suits and goggles, hats, t-shirts, pants, shorts, towels, water shoes including sandals, water bottles, sunglasses, toys, cameras, arts and crafts projects including tie dye. We highly encourage parents to label all items with their camper's name to help our staff identify items during the camp session. Many items look similar and it can be confusing for both staff and campers. As a reminder, please do not send your camper with anything that is irreplaceable. Things like jewelry or favorite stuffed animals can be easily lost or damaged. Electronics, including phones, are not permitted at camp. Phones may not be used at camp and will be confiscated and returned to families at the end of the day. Camp is not responsible for any lost, damaged, or stolen items—including confiscated phones.

Communication

While your camper is at camp, all communication should be directed to the Day Camp office. We encourage campers to learn independence while at camp; communicating with your camper through the office staff is strongly encouraged. If you have an emergency please call 952-435-2859 or email streefland@ymcamn.org, and a lead staff member will address your situation as necessary.

Life at Camp

Camp Activities

Campers will experience a variety of activities during their camp experience. Our camp staff aim to encourage campers' creativity, skill development, understanding of the world around them. Often times, during these creative learning experiences in a camp setting, campers are exposed to the natural elements of camp. They will experience dirt, mud, bugs, plants, and various types of weather—but camp will go on. Our staff are trained to recognize and avoid unsafe situations. However, if your child has a specific reaction (*allergies, fears, etc*) to any camp elements; be sure to indicate this in their health information. Also if necessary, to help us work with your camper, please fill out the Camper Individual Care Plan, found on our website.

Campers registered for Specialty Camps will spend a portion of each day in their specialty area—weather permitting. If weather makes it unsafe to run a specialty activity, camp staff will lead alternative programming. In addition, they will do their best to make up activity time lost later in the week *if the schedule allows*.

Pro Parent Tip

If your child is especially prone to mosquito bites, be sure to send long layers (long sleeve shirts/pants) to help prevent future discomfort.

Water Activities

All swimming and watercraft activities are supervised by Certified Lifeguards.

Personal Flotation Devices are worn by campers and staff at all times during boating/watercraft activities, and are provided by camp.

Each camper's swim ability will be tested on their first day of swimming. Campers may be required to wear life jacket depending on their swimming abilities. Campers are not required to swim.

Camper Behavior

Caring, honesty, respect and responsibility are the YMCA's core values and the foundation of our behavior guidelines.

Camp's general behavior rules:

- Campers take responsibility for their actions
- Campers respect themselves, one another, the environment and camp equipment
- Campers should be honest with one another and their counselors
- Campers should care for themselves and one another.

Camp Staff are trained to encourage positive behavior and redirect misbehavior. We make every attempt to work with children to teach appropriate behavior. Parents will be notified if consistent behavior problems occur.

Unacceptable Camper Behaviors

- Unable to follow parameters under the new CDC & MN Department of Health guidelines for health and safety set by the YMCA Camp Team
- Fighting & Bullying
- Refusing to follow behavior guidelines & rules
- Brining inappropriate things to camp such as: alcohol, drugs, personal equipment (sports equipment, electronics, etc), vehicles, animals, and/or weapons.
- Use of profanity, vulgarity or obscenity
- Stealing or damaging personal or camp property
- Refusal to participate in activities or cooperate with staff
- Leaving the program area, without permission

We reserve the right to send a camper home, without a refund, if consistent misbehavior affects the experience of other campers and/or camp programming.

In extreme heat situations, certain activities may be cancelled to keep campers safe. Campers will be encouraged to drink more water, will play more water games and enjoy activities in the shade.

In the case of severe weather, campers will be taken directly to the Tornado Shelter. The camp director will notify the YMCA as soon as possible about camper safety and any bussing delays. Updates will also be posted on our Facebook page and by email and text, when available.

Illness Procedures & Guidelines. For the health & safety of all campers, please do not send your child to camp if they are ill. If your child is ill and must miss camp, please notify camp by phone or email. Camps only provide a refund for sick days, with a **doctor's note**.

If your camper contracts a communicable disease, including but not limited to COVID-19, parents must notify the Camp Director as soon as possible. The camp director will inform other participants in writing about the communicable disease. Please follow the below guidelines before sending your camper back to camp:

Injury & Illness at Camp. Campers are well looked after. All camp staff are First Aid & CPR certified.

We will treat bumps, bruises, and scrapes. For an injury that requires more attention than our staff are trained to do, Y Staff will:

- Call 911, perform immediate first aid and contact you or emergency contacts, if you cannot be reached.
- If emergency transport is required, a staff member will accompany the child to the hospital and remain until the parent/guardian arrives.

In the case of illness, parents or emergency contacts are called to make arrangements for treatment or pick-up. If your child is ill and must miss camp, please notify camp by phone or email.

Medications. Medication will be turned into the director upon arrival. Medication must be in the original container and marked clearly with dosage, frequency and camper's name. This includes over-the-counter drugs. Please only send medication that will be needed for your child's week at camp. Additionally, a [Medication Release Form](#) will need to be completed upon arrival and turned in with medications. The form can be found on our website.
