

YMCA Overnight Camp 2021

Pre-Camp Covid-19 Safety Measures

Take a COVID-19 test
(Test must be a molecular PCR test.)
within 3 days of arrival.

UPLOAD your Negative COVID-19 test result* to your CampDoc account **by midnight** the night before coming to Camp.

***If you receive a positive test, alert your camp and do not make your way to camp.**

Avoid all nonessential activities and follow COVID-19 safety protocols (i.e. masks, distancing, cleaning) before arrival at camp.

Quarantine from the time you take your COVID-19 test until the time you arrive at Camp.

***If your child has had COVID within the last 3 months OR has been fully vaccinated, you do not need to upload a negative test result. Instead, please upload a doctor's note indicating that your child is cleared to attend camp or proof of vaccine.**

****Subject to change per CDC, ACA and MN/WI Department of Health guidelines.**
