

Camper Individual Care Plan

Everyone at camp wants your child to have the best camp experience possible. To help in this effort, we ask for parents to fill out this form only if there are special concerns or situations that you feel we need to know. The more detailed information and helpful "tips" you are able to give, the better prepared we are to work with your child. Please submit form to camp via email or send with your camper on their first day. Please feel free to contact camp to discuss.
