ABOUT Y SWIM LESSONS

The Y strives to help all ages learn how to swim, so they can stay safe around water and learn the skills needed to make swimming a lifelong pursuit for healthy living.

The YMCA is centered on four core values: caring, honesty, respect and responsibility. Swim Lessons include age-appropriate opportunities to define, model and celebrate these core values. We utilize low instructor to participant ratios, ranging from 1 instructor to 4–6 participants, depending on stage.

Swim Lessons provide important life skills that could save a life, and will benefit you for a lifetime. All YMCA swim instructors are highly trained in our nationally recognized swim lesson curriculum. To ensure safety at all times all of our pools have a certified lifeguard on duty.

Wondering where to start?

• PARENT/CHILD (stages A–B) is for young participants who aren’t ready to be alone in the pool without a parent.
• Independent participants who are developing their skills should start in SWIM BASICS (stages 1–3).
• Those swimmers age 4–12 who can swim without floatation 10–15 yards (half of the length of the lap pool) on their front and back with their face in the water should start inBEGINNER SWIM STROKES (stage 4).
• ADVANCED SWIM STROKES (stages 5–6) is for participants who can swim 25 yards (the length of the lap pool).

More information on stage prerequisites can be found on the Lesson Selector, or by visiting ymcanorth.org/swimming.

**PRIVATE AND SEMI-PRIVATE LESSONS**

Private lessons are a great option for swimmers looking to catch up or get ahead. These lessons give participants individualized attention to help improve or master swimming skills. You set the agenda by working with the instructor to determine goals. Curriculum is customized to meet these goals. Private and semi-private lessons are 30 minutes in length, and can begin at any time.

To arrange lessons, please contact the Aquatics Department.
